

**VIII Young Researchers International Conference ANIWEH –X SHRA:
*Receptions of Antiquity from the Middle Ages to the Contemporary World***

(14/15-11-2024, Vitoria-Gasteiz, UPV-EHU)

This pre-doctoral conference arises from the synergy of two collective projects, [ANIWEH/ANIHO \(Antiquity and Nationalism in Western Historiography\)](#) and the *Seminario de Historiografía y Recepción de la Antigüedad (SHRA)*. The ANIWEH project analyses the use of topics and references from classical antiquity in the construction of national identities between the 19th and 21st centuries. For its part, the SHRA, promoted by the Autonomía University of Madrid, is organized as a meeting point and an exchange of ideas for PhD students who are interested in the study of the reception of Antiquity through multidisciplinary analysis of historiography, art and political discourse. The meeting is scheduled for **November 14th and 15th** at the [Faculty of Arts of the University of the Basque Country \(UPV/EHU\)](#), in **Vitoria-Gasteiz(Spain)**.

Under the same title as in previous editions, *Reception of Antiquity from the Middle Ages to the Contemporary World*, the VIII Young Researchers International Conference ANIWEH – X SHRA is conceived as **a forum for research studies that analyses examples of reception of the classical world, as well as other ancient cultures (Egyptian, Near Eastern, proto-historical, etc.), throughout history**. In this sense, the meeting will focus on the contemporary world (19th to 21st centuries) according to the line of research of the ANIWEH project, although proposals that address the uses of Antiquity in Medieval and Early Modern times will also be welcome.

Participation in the meeting

The participation in the VIII Young Researchers International Conference ANIWEH – VIII SHRA is open to current master's or PhD students and postdoctoral researchers and will consist of **papers of 15-20 minutes. Contributions in English, Italian, French, Portuguese, Spanish or any of the co- official languages in Spain (català, euskera or galego)** will be accepted. Proposals should

follow the instructions in the attached form, which must be completed before **September 26th** and sent through an e-mail to the contact address. The organizing committee will announce via e-mail the acceptance or the refusal of the proposals by **October 6th**.

Even though this conference is meant to be face-to-face, in order to encourage participation from international researchers, specially from Ibero-America, it will be possible to participate using the online format, previously valued by the organization. In order to facilitate the trip to Vitoria **the organization will facilitate one night's accommodation**, through previous application. Further information will be provided once the communication has been accepted.
